TTOSA CHAPTER SHARE: "SING, SAY, DANCE, PLAY, READ!"

Presented by members and friends of the Twin Tiers Orff-Schulwerk Association
Saturday, October 13th, 2018

This interactive workshop, presented by members and friends of the Twin Tiers Orff-Schulwerk Association, focuses on the use of children's literature as a vehicle for engaging and meaningful music-making! If you have any tried-and-true lessons using books or poetry and would like to share your activities in an informal setting, please contact TTOSA president **Rachel Proulx** at rproux@horseheadsdistrict.com - all are welcome!

"CREATIVE LEARNING CENTERS IN THE MUSIC CLASSROOM"

Presented by **Katie Traxler**
Saturday, January 26th, 2019

Learn how to introduce creative learning centers for practice, review, and assessment of musical concepts and help students develop appropriate small group behavior in order to implement center routines into your music class. Experience how small group center rotation can benefit your students by differentiating lessons for a variety of learning needs and allowing you to get in some occasional one-on-one time with your students!

"AROUND THE WORLD IN 80 BEATS"

Presented by **Kate Bright**
Saturday, March 23rd, 2019

Join Kate Bright as she takes you around the world in 80 beats! In this workshop, participants will explore the world of the Orff process and find new ways to sing, say, move, and play. By using simple speech patterns and easily created/obtainable manipulatives, teachers will learn how to process rhythms outside the world of 4/4.

Workshop Information

All workshops are held from 9:00 AM to 1:00 PM in the Butler Music Center at Mansfield University (18 Campus View Drive, Mansfield, PA 16933). Participants should park in the M Lot and use the north entrance of the building; those requiring elevator access should use the east entrance. Signs will guide you to the workshop location. Registration and refreshments begin at 8:30 AM.

Workshop attendees are eligible for 4 hours of in-service credit. Attendees must be present for the entire workshop (arriving no later than 9:00 AM and leaving no earlier than 1:00 PM) and specify on the sign-in sheet that they are seeking in-service credit. Signed certificates will be available at the completion of the workshop.
